

Job Application - Full Stack Web Developer

To: hiringmanager@abc-corp.com

Subject: Application for Full Stack Web Developer Position

Dear Hiring Manager,

Im writing to apply for the Full Stack Web Developer position at ABC Corporation. I was drawn to this role by your companys reputation for innovation and its collaborative culture that fosters growth.

With strong skills in JavaScript, React, Node.js, and MongoDB, Ive built multiple scalable applicationsincluding an e-commerce platform that increased conversion rates by 40%. I enjoy solving complex problems, working in agile teams, and continuously pushing myself to learn and improve.

Im eager to contribute to a team where I can grow professionally while delivering impactful solutions. My resume and portfolio are attached for your review. I would welcome the opportunity to discuss how I can support ABC Corporations success.

Best regards,

Md. Yousuf Ali
